

# Membership Secretary's Report

## September 2021

### Membership Numbers

We have 688 verified members as at the 13 September 2021.

17 Honorary members  
10 Ambassadors

These numbers do not include the Institutional members, for whom Edinburgh University Press is responsible. EUP have confirmed that they currently have 176 institutional members, 89 of which receive both online and print formats of the journal.

Membership numbers have continued to increase significantly when compared with previous years:

Sept 2020	573 verified members
Sept 2019	501 verified members

New memberships have certainly kept me busy since the last Committee meeting, but it is nice to see the number of members continuing to increase and the reach of The Society growing.

### Arrivals and departures

There have been **76** new members since the last committee meeting on the 15<sup>th</sup> of May 2021 and The Society has received notification that **2** members have passed away.

All **76** members have taken six-month memberships to cover the latter half of 2021. This is because the facility to apply for full membership was suspended in May 2021 when overs of the Spring 2021 Journal ran out. A list of new members to welcome at the meeting is included below.

#### **76 New members comprise:**

35 UK full members

### Membership items for discussion

- As we approach the latter half of 2021, I would like to have a brief discussion regarding new members joining. Other Societies have a cut-off date after which membership is applied for the following year, for example '*Members joining after 01 November will have their payment applied for the following membership year*'. I would like to establish whether this is something The Society should also offer and, if so, agree a date after which membership payments will apply to the following year.
- Should The Society offer a pdf access only membership? If so, please can we discuss and agree how much the costings would be for each category of membership. The table below shows the current categories and costs

Membership Type	Current cost
Full UK Membership	£36.00
Full UK Under 26/Student Membership months	£21.00
Full Overseas Membership	£40.00
Full Overseas Under 26/Student Membership	£25.00
Six months UK Membership	£18.00
